Describe the most significant challenge you have faced and the steps you have taken to overcome this challenge	It was weither to choose between a civil life or an soldier's life, it was a hard choice but eventually i choose to be a civil chemist to serve the people without harming anyone else
You are required to spend the next year of your life in either the past or the future. What year would you travel and why?	I would choose 2016 because i had a lot of challenges to achieve and it was hard to achieve it at that moment!
What would you say is your greatest talent or skill? how have you developed and demonstrated that talent over time	Greatest talent ? I would say self confidence if u prefer it as a talent of course but after that its piano
What have you done to make your school or community a better place	By applying justice not equality because someone needs help and someone doesnt so why help both when's theres only one who is in need ?
What makes you happy?	Putting a smile on you and everyone else
