You are required to spend the next year of your life in either the past or the future. What year would you travel and why?	Future, because what happened in the past happened and gone, but if we traveled to the future we will see if it needs to change so we can change it in our time.
What would you say is your greatest talent or skill? how have you developed and demonstrated that talent over time	My greatest talent is drawing, and i worked on my own self alone to develop my talent through watching famous images and watching step by step drawing videos.
What have you done to make your school or community a better place	If I find something that bothers me I try to talk to somebody who is more knowledge than me and try to solve it, and if I find something that I don't like I just keep it away from me.
