Describe the most significant challenge you have faced and the steps you have taken to overcome this challenge	In fact, there is nothing specific I mention now but I rely on thinking about the situation and thinking more than a solution to the problem or situation and see how much or how to solve this problem
You are required to spend the next year of your life in either the past or the future. What year would you travel and why?	I expect that i want to return all my years and change my personality and my actions, this is not to say that my personality is not good or that I am a lot of mistakes. I want to be the best and to achieve all my dreams.
What would you say is your greatest talent or skill? how have you developed and demonstrated that talent over time	I have many talents, including shooting, I participated in the Shooting Club to improve my level and even participate in shooting competitions outside the country and win the name of Kuwait
What have you done to make your school or community a better place	I did not understand the question well but co-exist and adapt to others
What makes you happy?	That my mom and dad in my life and also it makes me happy when all my friends and people loves me and my personal
How did you hear about The Proteges program	School visit
