Describe the most significant challenge you have faced and the steps you have taken to overcome this challenge	The challenge that I faced was being overweight , I hated my self for that reason, I overcame it by working on my self mentally and physically . Now i feel beautiful the way I am no matter what anyone says.
You are required to spend the next year of your life in either the past or the future. What year would you travel and why?	I would travel to 2020 because it's the year where my high school chapter ends and the university chapter has just begun. I am excited to see what has changed and what goal would I have.
What would you say is your greatest talent or skill? how have you developed and demonstrated that talent over time	Playing the piano is the greatest skill that I have . I saw how piano was played in preschool and fell in love with music. I have developed it from watching YouTube videos and my music teachers helped me a lot.
What have you done to make your school or community a better place	My friends and I created a group in middle school called "لنترك بصمة" the goal of the group was to make activities in school to spread positivity during school times . After A year it developed into spreading positivity in our community such as helping workers in Ramadan and supporting students in Kuwait "واثق" . company took the project and made it bigger.
What makes you happy?	So many things makes me happy such as , achieving my goals , the support of my family , seeing other people happy and much more
