<b>Describe the most significant challenge you have faced and the steps you have taken to overcome this challenge</b>	I had to lead 20,000 people for 30 minutes from different 62 different countries and different ages , first i have said to my self that if you want to lead them for the good or the bad , i wanted them to not forget me for the first point cause you have to grab their attention and never get them to be bored or “sleepy” and i did well i was the second smallest leader in that convection and i did well cause there was people stands there for me and lead me to the rights, I learned that what ever the challenge is big you have to love it at first , respect it at second and finally be your self and enjoy it in a good way.
<b>You are required to spend the next year of your life in either the past or the future. What year would you travel and why?</b>	Future, of course cause i did saw the past and get through it and maybe it’s either a good or a bad year but it’s always learning me how to be a better person, future is full of surprises and achievements and new goals and new life so why not.
<b>What would you say is your greatest talent or skill? how have you developed and demonstrated that talent over time</b>	Sometimes I’m so confused about my real talent or my real skill i feel like that i love to do everything and try a different type of talents every month and i enjoy it every time just to not closed the world on me , i think that my talent is to fit on in everything i like and be flexible in everything and any situations i like to be happy in my life and enjoy each second of it so i have a skill that be positive and enjoy my life as it’s my last day .
<b>What have you done to make your school or community a better place</b>	I build my own place in it , it doesn’t have to be a visible thing but you can’t make anything better unless you planes it in your mind , you can’t judge the place is it better or no if you didn’t have a good mindset to live with it in your way.
<b>What makes you happy?</b>	Seeing other people smiling. Achieving my goals of the day. Spending time with my love ones.
<b>How did you hear about The Proteges program</b>	Social media
